STAT

Thank you very much for your letter of August 3 enclosing the tape recording and very kind offer of assistance in this troubled time.

At the moment I do not know of any way in which I can take advantage of your good offer of assistance, but I am having the situation more fully explored and I will certainly be in touch with you should something materialize in which it would appear that we can use your contacts and talents.

In any event, I very much appreciate your offer.

With best wishes.

Sincerely,

Signed

Allen W. Dulles
